Dated: 8th May, 2015

D.O. No. 8-23/2013-TEL (pt.)

Dear Sir,

Government of India has announced 'Digital India', which is a Programme to transform India into a digitally empowered society and knowledge economy. It aims at changing the manner in which governance and public services are provided to citizens. 'Digital India' also aims to 'transform India into a digitally empowered society and knowledge based economy', the focus being transformative, to realize IT (Indian Talent) + IT (Information Technology) = IT (India Tomorrow). The Programme also aims at delivering good governance to citizens by synchronized and coordinated engagement with both Central and State Governments. Delivery of services through e-governance represents a paradigm shift, which will involve Government Departments/Officials changing the way they work and tools they use to enable a faster and more efficient delivery.

2. 'Digital India' has spread across three vision areas i.e. 'Digital Infrastructure as a Utility to Every Citizen', 'Governance & Services on Demand' and 'Digital Empowerment of Citizens'.

3. To deliver the message of 'Digital India' to citizens and to showcase Government's initiatives in the area of e-Governance, a formal launch of this Programme, spread over a week, is being organized. It is expected that the formal launch will take place shortly and dates will be communicated accordingly.

4. A series of activities focused around the existing digital service delivery platforms would be organized to provide contextual and engaging information about 'Digital India' to the citizens. University/College and Technical/Management Institutions' students and faculty members are key target groups to be engaged in activities on the available online platforms (NKN, NMEICT, AICTE, MyGov etc.) during the 'Digital India Week' (DIW). Their engagement will not only disseminate information about the existing digital services/platforms, but also increase usage & sharing of digital resources.

5. It has been envisaged that all NKN/NMEICT connected Universities/Colleges and Technical/Management Institutions will take part in the DIW (broadcast/ streaming of IEC videos and other audio-visual content on Digital India etc.). Students/faculty members from adjoining Universities/Colleges and Technical/Management Institutions not connected under NKN/NMEICT are to be invited to participate in the events/activities of the nearest University/College and Technical/Management Institution where such facilities are available. Various activities such as competitions for students and faculty members, sessions on digital services, Digital India Fest etc. are to be conducted during the DIW.

Handwritten notes:

6. Keeping in view the above, I would request you to peruse the enclosed note and issue necessary instructions to all the Universities/Colleges and Technical/Management Institutions to start preparations for the DIW activities. It is also requested that information sought in the enclosed note be provided at the earliest and a 'Nodal Officer' be nominated, in the State for the DIW. The name and contact details of the Nodal Officer may be communicated to this Ministry and Smt. Caralyn Khongwar Deshmukh, Director, Capacity Building, National e Governance Division, Department of Electronics & Information Technology (DeitY) at carakhongwar.edu@nic.in.

With regards,

Yours sincerely,

Encl: As above.

1 About Digital India

Digital India is an Umbrella Program that covers multiple Government Ministries and Departments. It weaves together a large number of ideas and thoughts into a single, comprehensive vision so that each of them is seen as part of a larger goal. Each individual element stands on its own, but is also part of the larger picture. Digital India is to be coordinated by DeitY and implemented by the entire Government. One of the key characteristics of Digital India is to have a common branding in order to ensure highest transformative impact. It is the responsibility of the Department of Electronics & IT (DeitY) to ensure this common branding for the Digital India Program.

This umbrella program, approved at the level of Hon'ble Prime Minister, weaves together a large number of ideas and thoughts into a single comprehensive vision of making technology as the key enabler for transformative changes in the delivery of public services and participative governance in the country. The impact of the Digital India Program will be wide-ranging. For citizens across the country, Digital India will have a transformational impact which will improve the delivery and greater access to information and e-services.

1.1 Vision of Digital India

The vision is centred on three key areas:

- *Vision Area 1: Digital Infrastructure as a Utility to Every Citizen includes:*
 - High speed internet as a core utility
 - Cradle to grave digital identity -unique, lifelong, online, authenticable
 - Mobile & Bank A/c enabling participation in digital & financial space
 - Easy access to a Common Service Centre
 - Shareable private space on a public cloud
 - Safe and secure Cyber-space
- *Vision Area 2: Governance & Services on Demand includes:*
 - Seamlessly integrated across departments or jurisdictions
 - Services available in real time from online & mobile platform
 - All citizen entitlements to be available on the cloud
 - Services digitally transformed for improving Ease of Doing Business
 - Making financial transactions electronic & cashless
 - Leveraging GIS for decision support systems & development
- *Vision Area 3: Digital Empowerment of Citizens includes:*
 - Universal Digital Literacy
 - Universally accessible digital resources
 - All documents/ certificates to be available on cloud
 - Availability of digital resources / services in Indian languages
 - Collaborative digital platforms for participative governance
 - Portability of all entitlements through cloud

1.2 Pillars

There are 9 pillars of growth areas under the Digital India programme. Each of these area is a complex programme in itself and cuts across multiple Ministries and Departments.

- Broadband Highways

2.3 Schedule of Events

- Pre-event Media Launch- social media, TV, radio etc.
- Mailers & broadcast of PM's message to eService users across various Digital platforms
- Pre-event at universities/colleges & other delivery points at NKN/NMEICT nodes etc.
- Launch of Digital India Week with Mann ki Baat by Hon'ble PM
- Organizing events at village level- CSCs, eSchools, Gram panchayats etc.
- Organizing events at all block and sub-divisional HQs
- Organizing events at all District-HQs
- Organizing event at all State HQs
- Organizing National Event

2.4 Universities/Colleges

University/college students and faculty members are a key target groups to be engaged in activities on the available online platforms during the Digital India Week. Engagement of students and faculty members is very important for success of Digital India Initiatives. Their engagement will:

- Disseminate information and increase usage of NKN & NMEICT services
- Create a pool of Digital Volunteers among college/university students
 - Learn & contribute
- Encourage to do more research in the domain both technical & social aspects
- Increase access of available schemes/fellowships available for academic groups
- Encourage to opt ICT domain as career leading to creation of trained human resource in future
- Increase digital network & sharing of digital e-learning resources

2.4.1 Selection of Universities/Colleges

The activities is be conducted at universities/colleges connected under NKN/NMEICT and have facilities of working computers (desktops/laptops), power availability and internet connectivity at a venue which may facilitate at least 150-200 participants. Students/faculty members from adjoining universities/colleges not having the above facilities may be invited to participate at the selected university/college.

All the selected universities/colleges have to organize event at the main campus & as well as at all the other campus/affiliated colleges connected with NKN/NMEICT and have basic requirements i.e. working computers (desktops/laptops), power availability and internet connectivity at a venue which may felicitate at least 100-150 participants.

The statewide list of NKN/NMEICT connected universities received from NKN/NIC team is enclosed at Annex I.

2.4.2 Tentative Activities

The tentative activity to be conducted at universities & colleges is enclosed as Annex-II which includes pre-event activities, activities during event day and post event activities.

Academia related schemes, fellowships, e-Services, portals, ICT-based best practices etc-of the Ministry/Department/Academic Bodies is to be demonstrated at the venue via online, webcasting, audio-visual materials and/or via existing portals etc. Gratification/prizes are to be given to the selected winners of different competitions. The selection of winners is to be done on each level i.e. college/university, state and national etc.

Proposed Format of Event at Higher Education Institution

Pre-Event Activities (7-10 Days prior to the main event)

- Posting of event details on the Institution's website/ social media pages, notice boards of departments, library, central office and hostels etc
- Announcement and organization of competitions for students/faculty
- Selection of best entries of competitions
- Inviting local media personnel at the event
- Registration of Participants

Main Event

- Showcasing DI progress through posters, banners
- **Talk & Display**
 - (5 min) welcome speech and National Anthem
 - (10 min) Inauguration by unit/ institution director/head, speech on Digital India, ICT in education, IT4Jobs etc
 - (30 min) Display of Digital India Films, Educational Portals (NPTEL, NMEICT, National scholarships, UGC, MHRD, ICSSR etc)
 - (10 min) Felicitation of winners
 - (60 min) Session on Digital India & e-services, ICT in education, Cyber security & hygiene, e-Waste, Swachh Digital India, Research in e-governance
 - (30 min) Skit show by students
 - (Optional) Digital India Fest/Exhibition- Stalls & MyGov registration
- Posting of updates, photos on Institute's website/ Social Media pages etc

Post Event Activities

- Posting of local news coverage at Institute's website/ Social Media pages etc
- Reports (Online submission of event report)

Subject: URGENT: IMPORTANT- Regarding Digital India (DI) Week Activities at Higher Education Institutions

Dear Sir/Madam,

With reference to the DO letter no.-8-23/2013-TEL(pt.) dated 8th May 2015, issued from Sh S. P. Goyal, Joint Secretary, Deptt. of Higher Education, Ministry of Human Resource and Development. It was requested that further necessary instruction to universities/colleges under your administrative control may be issues to start preparations for the DIW activities. The contact details of Nodal Officer nominated from your respective department in the State for DIW activities coordination may also be informed. We have received the information on the nodal officer from 3 states as on date.

This is to inform you that DeitY/NeGD has been instructed that the Digital India Week will be launched on July 1st 2015 by Hon'ble PM. A proposed format of the event at higher educational institutions is enclosed for your reference. NeGD has proposed to provide fund of @Rs 1.00 lakh per workshop (to a limited number of institutions per state) for organizing the DI Event after the Hon'ble PM's launch event i.e. after 1st July 2015.

You are requested to share the number and list of colleges/universities as well as the proposed date of the workshop and the content of the workshop in your state/UT where the Digital India event/workshop has been planned. The details may be sent to carakhongwar@negp.gov.in / ajeetkumar@negp.gov.in by Monday/Tuesday (22nd/23rd June).

Ajeet Kumar

 Subject: RE: URGENT: IMPORTANT- Regarding Digital India (DI) Week Activities at Higher Education Institutions

Dear All,

With ref to my mail on 20th June, this is a gentle reminder to send the necessary information for Digital India Week by end of day today.

MHRD requires it urgently.

Thanks,

Jeannette Marsh,
 Senior Consultant - H&TED

 Subject: URGENT: IMPORTANT- Regarding Digital India (DI) Week Activities at Higher Education Institutions

Dear All,

Please find below the instructions from the Ministry of Human Resource and Development on conducting a workshop for the Digital India Week.

Digital India Week will be launched on July 1st 2015 by Hon'ble PM.

Colleges and Universities are invited to hold their own workshops following this. The attached word doc contains a proposed format for the event.

By end of day Monday, 22-6-2015, please send in following details:

- Is the college/ university going to conduct a Digital India Workshop?
- If yes, what is the proposed date of the workshop and the content of the workshop?

6/25/2015
