Hard Shri J.R. Kidilay and Shri R.V. Shiralkar, Id. Counsel for the applicants and Smt. M.A. Barabade, Id. P.O. for the respondents.

All the applicants in these O.As. are Lecturers in ITIs, who were appointed on a contract basis in 2002 and thereafter are continued as contract employees. On 3/7/2013, MPSC (R/3) issued an advertisement for filling up of various posts of Lecturers in ITIs on a regular basis. These posts include posts which are occupied by these applicants. The respondents have filed these O.As. apprehending that once the selection of candidates as per the advertisement is done, the applicants' contractual services will be terminated without giving any benefits of regularisation of their services for the last more than 12 years. A number of Lecturers in the Govt. Polytechnic who are similarly situated as the applicants had filed W.P. No.2046/2010 praying for

grant of permanency and benefits of permanent appointment. The said W.P. was decided by hon'ble the High Court on 19/10/2013. The High Court had held that the petitioners having been selected through a process involving advertisement, competitive selection etc. they cannot be denied their entitlement to regularisation and permanency. It has therefore directed that the services of the petitioners should be regularised and those among them who had completed 3 years of service with technical break will be granted permanency. The Govt. has challenged the above decision by filing a SLP No.39014/2013 before hon'ble the Supreme Court. The Supreme Court on 27/1/2014 issued the following interim order :-

" In the meantime, the petitioners shall not disturb the respondents and consider their cases for regularization but the order passed by the High Court directing the petitioners to confer permanency on contract Lecturers who have completed more than three years' service for their regularization, shall remain stayed."

The Id. Counsel have produced before us today an interim order dt. 25/4/2014 issued by the Principal
