The Directors / Principals,
Government/ Government Aided / Unaided,
Polytechnics/ Engineering/MBA/MCA/HMCT/Pharmacy/Architecture Colleges,
Nagpur Region, Nagpur.

Subject: Industry-Academia Meet of Nagpur Region on 12th April 2018

You are cordially invited for Industry-Academia Meet being organized by Technical Education, Regional Office, Nagpur. Hon. Dr. Abhay Wagh, Director, DTE, Mumbai will address the meet. This meet is envisaged to provide a common platform for interaction of the personnel from the industry of this region with the academicians, to understand the recent expectations of the industry from our students. This would help as a vital input for the academicians to hone the employability skills of the students and groom them for a successful professional life.

The meeting broadly aims at preparing a line of action to meet the following objectives:

- 1. Curriculum updation in view of AICTE guidelines
- 2. Training & skill development of faculty and students
- 3. Industry internship/industry-based projects
- 4. Up-gradation of infrastructure/Laboratory facility through CSR
- 5. Employability skill enhancement

You are requested to make it convenient to attend the meet alongwith Training & Placement Officer and contribute your valuable opinion on various issues.
