Dear Sir,

The institution are required to Login and create the Admission Incharge Accounts.

The institute can verify the courses which shall be available for CAP.

The Affiliation information is being updated and by Tuesday , all Engineering Colleges information shall be verified by
the affiliation team.

Please communicate to all the Engineering colleges to verify.

It is observed that the institutions are not creating the Login and hence are not checking the data pertaining to their
institution and after seat distribution, communicating issues. It becomes difficult.
Hence please communicate to all concerned _____ institutions to verify details. Out of 354 colleges, hardly 10 have
updated. I

We can send messages to the institution in case of support is required.

Regards,

Narendra B. Patil
