Joint Director Technical Education,  
Regional Office , Nagpur

Dear Sir,

Our department is going to conduct its annual technical fest "INFOTSAV 2K18" on 9<sup>th</sup> & 10<sup>th</sup> March 2018. In this connection, on 9<sup>th</sup> March 2018, there is one event named "i-Connect" which involves the interaction between Industry associates and Engineering aspiring students .The objectives of this program are,

- ✓ To evolve educational programmes which are consistent with the broad requirements of the industry and which can give rise to engineering personnel capable of coping-up with the accelerating pace of the technological development.
- ✓ To create adequate facilities of updating knowledge of professional engineers and technologists to meet growth and developmental needs of the industry
- ✓ To enable the students acquire the necessary skills for observing the concepts taught in the classroom by solving projects in industries and to provide assistance to industry in the area of testing the quality of various products and materials as per the industrial standards.
- ✓ And the main objective to provide internship for pre-final year students to confront real-life challenges and learn the state of art technology and process to add to their core competency.

To make this program more interactive with our diploma students , We need your permission to promote **E-Branches (Comp. Sci/ IT/ Electronics)** of various polytechnic institute's students to participate in large number and get benefitted through it.

We are airing this program live through our radio partner "Radio City 91.1". Student can participate in this program and can have direct interaction with industry associate. Student will be provided with a certificate who will be attending the program with physical attendance at the centre.

You are requested to allow us to promote this for polytechnic institutes.

Thanking you,
